Dear Parents & Guardians:

Did you know that teachers' access to and use of hands-on learning resources in the classroom is the single most important teacher input factor toward student success?

Did you know that teachers spend an average of \$1,200 of their *own* money each year purchasing resources and materials for the classroom?

Attached please find information about a sponsorship program the PTA is hoping will help our teachers. Utilizing the Adopt-A-Classroom website it is possible for you to sponsor your child's classroom. This program enables individuals and businesses like you to help teachers succeed in the classroom.

- 100% of the donation is provided to the teacher in an online account.
- A minimum donation of \$25.00 per classroom is required.
- All donations are tax-deductible.
- No donation is too small. Any amount helps.
- You receive Impact Reports that show exactly how the teacher spends the money, so it's fully accountable and transparent.
- You receive direct feedback from the teacher so you can experience first hand the impact you have made.

You can learn more about this sponsorship program by visiting the website below:
www.adoptaclassroom.org.

If your child's teacher is not registered yet, and you would like to donate, please contact them and let them know you want to sponsor them. Teachers are in the registration process now.

This is a great opportunity to get involved. As we all know, children learn best when the community works together toward helping students reach their highest potential.

Thank you in advance for your help and support.

Sincerely,

The Panther Run Elementary PTA Executive Board
